INSTRUCTIONS FOR USE

For your child's safety and health

WARNING!

Always use this product with adult supervision. Accidents have occurred when babies have been left alone with feeding equipment due to the baby falling or if the product has disassembled. Before each use, inspect the product. Throw away at the first sign of damage or weakness. Always check food temperature before feeding. Heating in a microwave oven may produce localised high temperatures. Take extra care when microwave heating. Always stir heated food to ensure even heat distribution and test the temperature before serving. Keep all components not in use out of reach of children. **Stainless steel cutlery set is not suitable for microwave use.**

CLEANING

Before first use, clean the product. Clean before each use. Always wash the product immediately after use. Wash in warm soapy water and rinse in clean water or use a dishwasher (top shelf only). Do not clean with solvents or harsh chemicals.

STORAGE AND USE

Do not store or leave in direct sunlight or near a source of heat. Do not store with or allow to come into contact with solvents or harsh chemicals. Do not allow product to come into contact with oil-based foods (e.g. oil/tomato based sauces) as staining will occur. Not suitable for use in a conventional oven or a combination microwave oven with the grill feature switched on.
